

Harmony Drops

WITH FULL SPECTRUM HEMP EXTRACT
STORE IN A COOL, DRY PLACE.

TAKE IT

Place one full dropper
(1ml) under tongue for 60
seconds. Swallow.

DOSE

One time daily or
as directed by your
healthcare professional.

TIPS: Shake well before use.

About Harmony Drops

Harmony Drops provides an easy way to consume Hemp Extract, derived from agricultural hemp extract grown in Colorado. Enjoy 15mg of Full Spectrum Hemp oil per serving plus the added benefits of medium chain triglycerides oil (MCT). Hemp oil has been widely recognized for its many benefits on human health. It has grown in popularity amongst the medical community as a key supplement for maintaining homeostasis, the ability to regulate the chemical composition of the body's fluids, so as to maintain health and functioning, regardless of outside conditions. MCT oil is known to increase exercise performance, lean muscle mass, and aid in weight loss.

Harmony Drops sources CO2 extracted Hemp oil, free of harmful solvents and uses a gentle, low temperature, alcohol-free extraction process. This clean oil extraction process yields a high-quality extracted Hemp oil retaining a broad spectrum of terpenes, Cannabinoids, and other phyto-compounds.

Harmony Drops are non-GMO, gluten-free and can be used most commonly to assist with pain, stress, anxiety, poor sleep, inflammation, and chronic pain due to the cannabinoids present. Researchers believe that Hemp Extract's ability to act on the endocannabinoid system and other brain signaling systems may provide benefits for those with neurological disorders. In fact, one of the most studied uses for Hemp Extract is in treating neurological disorders like epilepsy and multiple sclerosis. Though research in this area is still relatively new, several studies have shown that Hemp Extract may provide a safe, powerful natural treatment for many health issues. Many reports indicate promising results on the potential health benefits of Hemp Extract, so new therapeutic uses for this natural remedy are sure to be discovered.

30 servings per bottle.

15 mg of Full Spectrum
Hemp Extract per serving.

Fast absorption with an
easy-to-use dropper.

*These statements have not been evaluated by the FDA and are not intended to diagnose, treat, cure or prevent any disease. Total Life Changes, LLC. hemp oil extract products utilize a Full Spectrum Hemp Extract which may contain trace amounts of naturally occurring tetrahydrocannabinol (THC). We are below the Federal Legal Limit and have no more than 0.3% THC by dryweight. Most work-place drug screens and tests target delta9-tetrahydrocannabinol and do not detect the presence of Hemp Extract or other legal natural hemp-based constituents. Even though in most cases our Hemp Extract products are NOT detectable on a urine or saliva test, we recommend that you check with your employer or whomever it may concern. Before taking our products, consult with your healthcare practitioner, drug screening testing company or employer. Total Life Changes, LLC. assumes no responsibility for the improper use of and self-diagnosis and/or treatment using these products. Our products should not be confused with prescription medicine, and they should not be used as a substitute for medically supervised therapy. If you suspect you suffer from clinical deficiencies, consult a licensed, qualified healthcare professional. You must be at least 18 years old to visit our website and make product purchases.
